

COMMUNITY CARE CONSULTING AND STAFF TRAINING

by Franki Bagdade M Ed. LMSW

How can camps build an inclusive community where every camper and staff is set up for success?

Franki is an expert in strategic oversight of community care including emotional, behavioral, social and mental health across all types of camps including day camps, overnight camps, teen travel experiences and everything in between.

How to best support our camp community**

Neurodiversity at Camp-Moving From Awareness to True Acceptance

Feedback:

"This was amazing. I am looking forward to having more classes with this speaker.

"I always enjoy the seminars that Franki does!"

"Because she (Franki) worked at camp, she was able to give information about what has worked and what hasn't worked."

"Just super informative."

"Clear, informative and made easy for us to ask questions."

"Clear ideas, good visuals, good tips, very engaging and everything moved along smoothly."

"I love attending Franki's Professional Development Workshops! It's as if she answers questions I didn't even know I had!"

"Franki's workshop was hands down the highlight of this conference!"
